

# SPBJ MULTI LEAF DAMPER

Air Management & ATDs

## Introduction

- Standard base &gt; Easy to fit motor on damper
- Robust construction &gt; Improve life time
- Shut off damper

## Product details

Product Code: SPBA

## Fast Facts

- Leakage classes 3 and 4 according to EN 1751
- Non insulated, blades insulated and casing insulated
- Split, flange and circular joint
- Width: 200 – 2500 mm
- Height: 200 – 2600 mm
- Body width 220 mm
- Large range of actuators
- Made of aluzinc steel or acid-proof steel
